INTRODUCTION

DPIPS is established in 2014 with a mission to take education to door step of learner, DP Institute of Professional Studies is a sister concern of Care Institute of Life Science, Lucknow, which in running since 20 years. The Institute is built on the foundation to promote greater access to quality education, technical skills and contribution to the society and is helping the young people to develop technical skill. The Institute is working along the guidelines of National Education Mission of the Government of India. The Institute facilitated guidance and ensures the learner to possess the knowledge and skill to undergo Vocational and Professional training to lead a life of dignity and contenment. The Institute provides job oriented courses with commitment to provide educational opportunity for the under privileged section of the society and citizen of rural India. The emphasis is on developing the skills amongst girls, SC, ST, rural youth capable of being job providers. The Institute is providing learning programs in various Academic, Traditional, Paramedical, Technical, Management courses. All the courses are Government recognized and unanimously approved by the Indian Parliament in 1952. Also the courses are approved by AICTE, DDE, MINISTRY OF HRD, GOVERNMENT OF INDIA, as per statical record, India has the largest youth population in the world (more than 50 cores) and only 5% of the Indian labor force in the age group 20-24 has obtained technical skill. Only 25 lacs vocational training seats are available, when more than one crore twenty five lacs people enter the labor market. Therefore the largest share of new jobs are to come from the unorganized sector which employs upto 93@ of national work force. The Federation of Indian Chambers of Commerce and Industry has emphasized on the need of trained and qualified staff in various field of development. The Prime Ministers Council for trade has also emphasized on the need of trained personnel.
